LX Publishing

A division of **LITHExcel**

Book of 1 means you can print your book(s) in any quantity at any time.

Our print on demand services will save you money by allowing you to produce only the quantity of books that you sell.

More than just printing, we give your book every chance to be successful with publishing services that include:

- Marketing and distribution-We can sell your book on Amazon.com!
- ISBN acquisition
- Production of CDs and DVDs of your book
- Generate ebooks for portable media devices
- Graphic design and formatting
- Wide range of sizes and binding options

Whether you want one book or many, LX Publishing can provide a full range of printing services, and marketing and distribution options designed to make your self-publishing experience a successful one!

TYPES OF BINDING

Perfect Bound

A book binding in which a layer of adhesive holds the pages and cover together.

Plastic Coil

A book bound with plastic coil can open flat on a desk or table and offer 360 degree rotation. Coil binding spines are also available in more colors and sizes than other binding styles.

Saddle Stitch

A book binding stitch is made by inserting a staple through the center of folded sheets from the back and clinching in the fold.
